Hello Dr Helenurm,

We are in process of splitting BIOS 662 Advanced Molecular and Cellular Biology (6Cr) into two 3 credit courses:

1. BIOS 662 Advanced Molecular Biology (3Cr)
2. "Advanced Cell Biology" (3Cr)

We were going to request a new course code for this, but then discovered that you offer BIOL 743 Cell Biology (3Cr) at USD. I would like to request your permission to offer BIOL 743 Cell Biology (3Cr) at SDSU on the Brookings campus only.

Thank you for your kind consideration,

Volker
