

South Dakota State University 2018-2019 Minimum Flight Charges

Please note the cost listed are the minimum flight training charges and it is NOT possible to complete training times in times listed. This is only what the Veterans Administration and/or certain scholarships MIGHT pay on your behalf, all charges beyond these values are the student's responsibility; all students will go over the charges listed. Please visit with the VA office for more information if you are using VA benefits to pay for flight training. All VA students must email the aviation program coordinator know they are using VA funds before the semester begins.
