Welcome Michele Beeler

DOT Training's Newest Employee:

Michele is the new Transportation Program Assistant working with Amy and me. Please join me in welcoming Michele to the SDDOT Team.

Fun Facts about Michele:

Favorite quote? "God grant me the Serenity to accept the things I cannot change; the Courage to change the things I can; and the Wisdom to know the difference."

How do you like your eggs? In cakes or cookies.

Any Phobias? All my phobias are completely justified and keep me safe! Nobody needs to climb tall ladders or walls, sit in a pitch black room or pet snakes.

Do you collect anything? Cookbooks, especially the fundraisers put out by small communities or organizations with local favorite recipes.

Favorite breakfast cereal? Fruit Loops, but they are unhealthy for me so I eat Honey Nut Cheerios instead.
