Excellence in Building an Inclusive Community Award
Nomination Criteria and Guidelines

Contributed to SDSU’s commitment to diversity in all its complexity by developing and implementing initiatives that support and foster inclusion.

- Activities that enhance teaching and learning
- Efforts that integrate diversity and intercultural engagement into an ongoing program or service
- Create partnerships among faculty, staff, and students by implementing diversity
- Inclusive engagement programming that leverages resources to impact the entire University community

Please provide a paragraph supporting your nomination as well as a short list of examples of the nominee’s efforts connected to above criteria.
