Course Description:
This course will examine issues pertaining to the development of an appropriate educational system for Native Peoples, including Native control of education, Native-based learning theories, the role of culture, values and identity, teaching and learning styles, pedagogy and curriculum planning.

2. Universities currently offering this course: USD

3. FTE Implication

   X No. Schedule Management, explain:
   No additional full-time faculty positions are needed to start the program. The new program of study will utilize existing courses, and faculty will be reassigned to develop any new courses. Faculty time to develop the program, advise students, and work with admissions staff to grow enrollments will be covered by the current AIS program coordinator. As enrollment and potential external funding occurs, the potential for new faculty will be explored.

4. Existing program in which course will be offered: To be offered in the new B.A. in AIS

5. CIP code for the common course 050202

6. Proposed Instructional Method by this university: Discussion/Recitation

7. Proposed delivery method by this university: Face-to-Face

8. University Dept. Code SAIS

9. Authority to offer effective beginning in what term? Spring 2014

10. Section Restriction: none

11. Offered under the prefix: AIS at SDSU with no prerequisites
