Section 1. Current Course Title and Description

Prefix & No: Course Title Credits
AT 441-541 Techniques I 3

Course Description as it currently appears in the system course database:

This course is the first of the intermediate athletic training courses designed to meet all of the guidelines and competencies required by the National Athletic Trainers’ Association. These courses should be taken in sequence. AT 361 includes concepts and techniques relative to injury assessment and management, pathology of tissue injury and repair, mechanisms of injury, management of blood borne pathogens/soft tissue injuries/fractures, athletic injuries related to environmental stress and on/off field injuries/management related to the spine (including a posture and neurological assessment). P, formally admitted to athletic training program; permission.

Section 2. Modification(s) Requested

1. This modification will include (check all that apply):
   - [X] A change in course description/subject matter content (including pre- and/or co-requisites and/or registration restrictions)

   Revised Course Description:
   This course is designed to meet outcomes and guidelines set forth by the Education Council of the National Athletic Trainers’ Association related to acute care provided by Athletic Trainers for Injuries and Illnesses. Students will obtain the knowledge, skills and clinical decision making to act efficiently and effectively in emergency situations related to life-threatening and non-life threatening conditions. Also, the course will address ethical and legal issues related to emergency care and the practice of Athletic Training.

   Term change will be effective: Fall 2013
   academic year/term

   Indicate (X) the universities that offer the common course. SDSDU

   - [X] Additional minor changes also proposed at this time (enumerate below):

   - [Course Corequisite from none to AT 441L/541L]

2. Provide a justification for all of the changes noted.

   The requested changes entail course revisions designed to improve the efficiency and fluidity of the athletic training curriculum.
