Section 1. Course Title and Description

Prefix & No. | Course Title | Credits
--- | --- | ---
HSC 452 | Interprofessional Issues in Health Care | 2

This interprofessional course will focus on the analysis of current issues and topics related to health care, including quality improvement, safety, patient- and family-centered care, and leadership. Health care students will engage in interprofessional discussion and collaboration utilizing resources such as the Institute for Healthcare Improvement Open School© modules.

Section 2. Review of Course

Will this be a common or unique course?

X This course will be a unique course. (Go to Section 3.)

Section 3. Other Course Information

1. Are there instructional staffing impacts?

X No, schedule management. Explain: Workload will be accommodated with the current staffing. We anticipate an additional 2 workload units needed initially but more if there is high demand with more than one section.

2. Existing program in which course will be offered: nursing

3. Proposed instructional method: Various online techniques

Provide a brief justification: Lectures, on-line resources, discussion, and on-line assignments will be used to keep students engaged in active learning activities.

4. Proposed primary delivery: Online

5. Term in which change will be effective: Fall 2013

6. Can this course be repeated for additional credit? No

7. Will the grade for this course be limited to S/U (pass/fail)? No

8. Will section enrollments be capped? Yes, maximum per section
9. Will this course be equated (i.e. considered the same course for degree completion) with any other unique or common course in the course database?  
   Yes  X  No

10. Is this prefix already approved for your university?  
   X  Yes  No

Section 4. To be completed by Academic Affairs

1. University department code:  
   SNURS

2. Proposed CIP code:  
   513801

   Is this a new CIP code for this university?  
   Yes  X  No

1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum. 
This class provides an opportunity for interprofessional education and discussion related to current health care issues and concerns better preparing those students in health related careers for the current health care environment.

2. Note whether this course is:  
   Required  X  Elective

3. In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?  
   Those from other majors e.g. Pharmacy or health pre-professional students may choose to use this course as an elective but otherwise should not be affected.

4. If this will be a dual listed course, indicate how the distinction between the two levels will be made.

5. Desired section size  
   35

6. Provide qualifications of faculty who will teach this course. List name(s), rank(s), and degree(s).  
   Deborah Banik, Ph.D., RN Assistant Professor and Heidi Mennenga, Ph.D., RN Assistant Professor

7. Note whether adequate facilities are available and list any special equipment that will be needed for the course.  
   On-line course so no facilities are needed

8. Note whether adequate library and media support are available for the course.  
   On-line library and media support are available.

9. Will the new course duplicate courses currently being offered on this campus?  
   No
