Section 1. Course Title and Description
Prefix & No.  Course Title  Credits
AVIA 120  Exploring Aviation  1

Course Description:
This exploratory course is open to all students to learn about and experience aviation. Students will be exposed to different sectors of aviation and will learn how the field of aviation contributes to society. All students will have the opportunity to fly in a training airplane at least twice during the semester. Students will also gain experience through hands-on flight simulation using advanced aircraft simulation. Aviation career options will also be explored. Charge for flights will be assessed. Contact instructor for more information.
