This form is to be used to request a substantive change in a unique course.

Section 1. Current Course Title and Description
Prefix & No. Course Title Credits
GEOG 475 GIS Applications 3

Course Description as it currently appears in the system course database:
This course explores the latest software and its applications in Geographic Information Sciences.

Section 2. Modification(s) Requested
1. This modification will include (check all that apply):
   X A change in instructional method
      
      Current A- Studio Course/ Small Group Instruction
      Revised R – Lecture

   X Course corequisite(s) from: None to GEOG 475L

2. Provide a justification for all of the changes noted.
This is a course in geographical techniques and has a structure like our other courses in geographical techniques (e.g., cartography and remote sensing). This request is to update the instructional method to R – Lecture. The GIS course instruction takes place in a traditional classroom setting with oral presentations vs. one-on-one student/instructor interaction.

Section 3. To be Completed by Academic Affairs
