Course Description as it currently appears in the system course database: Supervised clinical experience in the hematology laboratory. Prerequisites MLS401/402L.

Section 2. Modification(s) Requested

1. This modification will include (check all that apply):

   - A change in course description/subject matter content (including pre- and/or co-requisites and/or registration restrictions)

     **X** Revised Course Description:
     MLS 482 Hematology and Hemostasis Clinical Practice; Supervised clinical practice in hematology and coagulation. Prerequisites MLS401/402L

   Term change will be effective: Fall 2012

   **X** Additional minor changes also proposed at this time (enumerate below):

   For a list of minor course modifications, see [http://www.sdbor.edu/services/academics/AAC/guidelines.htm](http://www.sdbor.edu/services/academics/AAC/guidelines.htm)

   Title change: Hematology and Hemostasis Clinical Practice; Name change to reflect content.

2. Provide a justification for all of the changes noted.

   Combines the content from MLS486 Coagulation into MLS 482, consistent with the current laboratory course MLS402L Advanced hematology and hemostasis laboratory course. Reduces clinical rotation credits and provides for addition of new courses without increasing total program credit requirements and a need for additional faculty.
