Course Description as it currently appears in the system course database:

This course will feature lesson presentation and methods of delivering instruction in vocational technical education. The course is designed for individuals who are presently teaching in the vocational technical education field. Content builds upon existing knowledge of the program participants in order to increase comprehension of the field of vocational technical education. Instructional techniques appropriate for vocational technical education are developed based on models identified in competency-based or performance-based education. Special emphasis is placed upon teaching methods which coexist with a performance-based philosophy. Participants are actively involved in current teaching assignments which creates an enormous opportunity for reflection and debate.

Section 2. Modification(s) Requested

1. This modification will include (check all that apply):

   XX A change in course description/subject matter content (including pre- and/or co-requisites and/or registration restrictions)

   Revised Course Description:
   This course will feature lesson presentation and methods of delivering instruction in aviation education. This course will equip the student with resources and
technology used in the classroom and aircraft to specifically teach content related to aviation. Topics covered include teaching with technology, utilizing instructional aides, motivating students, and marketing a program. Instructional techniques appropriate for aviation education are developed based on models identified in competency-based or performance-based education. Additional support will be provided to help student deliver classroom and aircraft content, assess the content, and provide feedback on the assessment. Students will gain practical experience by utilizing skills learned in class to actively engage the aviation community.

Term change will be effective: FALL 2012

XX Additional minor changes also proposed at this time (enumerate below):
For a list of minor course modifications, see http://www.sdbor.edu/services/academics/AAC/guidelines.htm

Type of Change Requested:

XX Course number to: 450
You may only change a unique course number to a number not currently being used with an “active” status at another university. This information may be found at: http://www.sdbor.edu/services/academics/AAC/guidelines.htm

XX Change in prefix from: CTE to AVIA

XX Course title change to: Methods of Teaching in Aviation

2. Provide a justification for all of the changes noted.

CTE 419 no longer being offered per 2011-2012 catalog. This course renames, renumbers and expands previous CTE course to include aviation-specific of methods of instruction for flight instructors and allows a logical progression in course sequencing for aviation education majors. This course is needed to satisfy education component of aviation education curriculum for accreditation.

Section 3. To be Completed by Academic Affairs

Current New

x Change in University Dept Code STLL to SCONS

x Change in CIP Code 131319 to 490102
