Course Description as it currently appears in the system common course database:

The primary purpose of this course is to help students transition successfully to the university. The focus of the course will be to familiarize the student with campus resources and to facilitate their engagement in the university experience.

Section 2. Modification(s) Requested

Check all revisions that apply and provide detailed information in the Current and Revised fields below. Provide the complete course description as it currently appears in the system common course database. If changing a course that previously had only a lecture or laboratory component to a composite course, identify both the course and laboratory numbers (xxx and xxxL) and credit hours associated with each.

X Course deletion

Indicate the universities which will be deleting the course: X SDSU

Justification for all changes noted above:

A new course, UC 109 (First Year Experience Course) will be offered for two credits and will combine the elements previously offered in GS 100 and add several new requirements to help students learn about the role SDSU plays as a Land-grant University as well as more resources to help the student be successful in their transition to the university.
Section 3. Other Course Information

1. Will this course be equated (considered the same course for degree completion) with any other unique or common course in the course database? Yes X No

Section 4. To Be Completed by Academic Affairs
