TRANSFERRING CREDITS TO SDSU

If you have any specific questions about transfer credits, we invite you to check out our course equivalency calculator online at www.sdstate.edu (keyword: transferring credits). Here you can find out what credits from various institutions will transfer to SDSU.

If you aren’t able to find what you’re looking for using the calculator, you are also welcome to submit this transfer pre-evaluation form and return it to the appropriate address listed below. The dean of the college to which you are applying will then give you an idea of what will transfer to SDSU.

FOLLOW THESE STEPS TO GET STARTED:

2. Attach a copy of your transcript(s) showing the courses you have completed and the grades received.
