## Transfer Student Admission

So you're thinking about transferring to South Dakota State University—that's great! We are here to help make sure the transition goes smoothly for you. Here are a few things you need to know.

### ADMISSION REQUIREMENTS

Transfer students who have completed 24 or more semester credits are eligible for admission if they meet the following requirements:

- Have a 2.0 ("C") or higher cumulative grade point average. Students entering the professional program in education must have a 2.5 GPA. Admission to the professional programs in nursing and pharmacy is on a competitive basis.
- Are in good standing with their most recently attended school.

Students with less than a cumulative 2.0 GPA may be admitted on probation. Each applicant is considered on an individual basis.

Transfer students under the age of 24 who have earned fewer than 24 college credits must also meet the freshman admission requirements. Contact Admissions for more information.

### APPLICATION REQUIREMENTS

To apply to SDSU, transfer students should submit the following:

- Admission application (available online at [www.sdstate.edu](http://www.sdstate.edu))
- \$20 application fee
- Final, official high school transcript
- Official report of ACT or SAT scores
- Final, official transcripts from all post-secondary institutions attended

### TRANSFERRING CREDITS TO SDSU

If you have any specific questions about transfer credits, we invite you to check out our course equivalency calculator online at [www.sdstate.edu](http://www.sdstate.edu) (keyword: transfer course equivalency). With the calculator, you can find out what credits from various institutions will transfer to SDSU.

If you aren't able to find what you're looking for using the calculator, you are also welcome to submit this transfer pre-evaluation form and return it to the appropriate addresses listed to the right. The dean of the college to which you are applying will then give you an idea of what will transfer to SDSU.
