In 2002, the SDSU Chapter of the Honor Society of Phi Kappa Phi renamed the Faculty Lectureship in honor of its first President, Dr. Victor Webster for his vision, leadership, and dedication to the SDSU Chapter of Phi Kappa Phi. Dr. Webster was a long-time faculty member, former head of the Chemistry Department, and strong supporter of Phi Kappa Phi for over 50 years.

The SDSU Chapter of the Honor Society of Phi Kappa Phi invites the nomination of faculty with high distinction in leadership, excellence in teaching, and excellence in research and/or scholarly activity for the 2015 - 2016 Phi Kappa Phi Faculty Lectureship. The lecture is to be presented on Thursday, Oct. 22nd at 7:00 PM in the auditorium of the South Dakota Art Museum.

*The main purpose of the lectureship is to recognize leadership, excellence in teaching, outstanding research and/or creative activity demonstrated by members of SDSU’s faculty. Any member of the faculty is eligible for the award, including retired members. The selected nominee will receive a plaque and an honorarium of $750.*

Nominations may be submitted by any member of the professional or administrative faculty of the university. Self-nominations by faculty are allowed. Nominations must include the following:
