Comments/Notes

Students from all academic majors can pursue graduation with Fishback Honors College distinction. View the [Honors program requirements](#).

The College of Nursing admits students into the Standard Option nursing major every fall and spring semester in Brookings and Rapid City, and every spring semester in Sioux Falls. Students are eligible to apply to the nursing major while they are in progress with their final pre-requisite courses. To be considered for admission, students must have pre-nursing* and cumulative GPAs of 2.7 or higher. The College of Nursing also requires a grade of "C" or higher in all coursework applied toward graduation. Meeting the minimum qualifications does not guarantee a candidate acceptance into the nursing
