

Call for abstracts -

## Eastern South Dakota Water Conference

Wednesday, October 17, 2018 in Brookings, SD,

We are soliciting abstracts related to water resources and water management for the 2018 Eastern South Dakota Water Conference (ESDWC). **This year's theme is "Flowing Forward: Building Success in Water Research, Policy, and Outreach"**. The ESDWC welcomes presentations on a variety of topics including but not limited to:

- Watershed Science and Management
- Non-Point Source Pollution Management
- State and Regional Water Quality Monitoring Programs
- Water Quality Modeling
- Agricultural and Urban Best Management Practices
- Wetland Science and Management
- Invasive and Nuisance Aquatic Species
- Harmful Algal Blooms
- Fisheries Science and Management
- Groundwater Science and Management

**The deadline for submitting abstracts is August 1, 2018.** Abstracts are limited to a maximum of 2,000 characters and may be submitted for both oral and poster presentation. There will be a student poster competition with a 1<sup>st</sup> prize of \$200 and a 2<sup>nd</sup> prize of \$100. Abstracts must be submitted via the online form available at: <https://goo.gl/forms/S0fjL88pzPRAFnoA3>.

**Registration:** Details on registration for the 2018 conference are forthcoming.

**About the Conference:** The Eastern South Dakota Water Conference is held annually on the Brookings campus of South Dakota State University and attracts attendees from academia, students, local, state, and federal agencies. The conference covers the latest strategies and research for water managers and water users of the Northern Great Plains.

If interested in being a sponsor for this year's conference or for general questions about the program, please contact John McMaine, Agricultural and Biosystems Engineering SDSU at [John.McMaine@sdstate.edu](mailto:John.McMaine@sdstate.edu) or David Kringen, SDSU Extension at [David.Kringen@sdstate.edu](mailto:David.Kringen@sdstate.edu).
