4. Category: Certificate Specialization Minor Major

5. If a name change is proposed, the change will occur:

- On the effective date for all students
 On the effective date for students new to the program (enrolled students will graduate from existing program)

Proposed new name:

6. Primary Aspects of the Modification:

Current Program Degree Description: Master's in Architecture

Proposed Program Degree Description: **Master of** Architecture

7. Explanation of the Change:

This request is to correct the program degree description for the M.Arch. degree. Colleague reflects a description of Master's in Architecture; however, the description should read Master of Architecture. There was a naming error in the original paperwork. This title will align the description with the accrediting body.
