7. **Explanation of the Change:**

The Department of Health and Nutritional Sciences has reviewed the Community and Public Health major. The following changes have been identified:
- HLTH 322 Public Health Law (3 cr.) was changed to HLTH/BLAW 451. This course will be dual-listed at the 400-500 level and cross-listed to the BLAW prefix.

- CHRD 475 Motivational Interviewing and Wellness Counseling (3 cr.) was added to the program as motivational interviewing and wellness counseling techniques are skills that graduates have identified as being important in the job.
