Chris,

Attached are curriculum proposals to renumber college algebra, rename MATH 103, etc. These changes were all discussed and approved by BOR last spring as part of the larger Math Pathways proposal, but we still need approval from each campus (see email below). Can you please indicate approval in an email and I will forward to the MDC chair to append to the forms before submitting to BOR.

Thanks,
Daluss

Dan, we informed the curriculum committee about the SDBOR math pathways plan. Since this was SDBOR approved in May, a USD faculty review and vote at this time is not needed. We will notify the committee that the paperwork has been completed.
