Students from all academic majors can pursue graduation with Fishback Honors College distinction. View the Honors program requirements.

As part of the College of Arts, Humanities and Social Sciences, students in this program must complete/earn:

- a minimum of 33 upper division credits (300-400 level courses)
- a capstone course in the major
- a designated diversity, equity, and inclusion course AHSS 111 (or AIS 211 for teaching specialization students only)
- a minor, second major, or teaching specialization
- Natural Sciences Coursework: 10+ credits in any two lab sciences; must include two prefixes

p. = Course Prerequisite Semester: F = Fall, S = Spring, SU = Summer

If a student chooses to double major in two majors offered through the Ness School of Management and Economics (Economics, Agricultural Business, Business Economics and Entrepreneurial Studies), the second major needs to have at least 18 credits that are distinct from the first major.

Testing into a higher-level language course may reduce time to graduation. To begin coursework above the 101 level, take the free modern language placement test at https://www.sdstate.edu/modern-languages-global-studies/mfl-placement-information Students with any modern language experience are strongly encouraged to complete the placement test.
