Chris,

It turns out that the renaming of MATH 093 co-requisite class to match the renaming of MATH 103 from Quantitative Literacy to Mathematical Reasoning as part of the Math Pathways proposal was not included in the original paperwork in December. Attached is the proposal to rename MATH 093 from Algebra for Quantitative Literacy to Algebra for Mathematical Reasoning. The Math Discipline Council chair has requested the we get an email indicating approval from each campus and he will include this in the paperwork.

Thank you,
Daluss

Dr. Cogswell,

DSU is supportive of this change. If you need a signature, Dr. Scott McKay would be the person to route it for sign.

Susan,

I sent this to Judy to see if she is the one that needs to be put on this, but I suspect it is the current AVP. Could you have Scott (or new AVP) send Kurt an email with their approval?

Daluss, Dan, and Rich,

The name change request for MATH 093 got dropped somewhere along the way and I missed it, so I'm running it through now. If the attached looks ok, could you please have whoever approves these on your campuses email their approval? I'll add it them to the form and route it.

Thanks.

Kurt

Dan,

Attached is the signed form. I have included the College of A&S code and Math department code too. Tammy will get this on the first C&I meeting as an FYI.
