Meal Plan Exemption/Accommodation Guidelines and Process

This policy establishes the guidelines and procedures for students requesting an exemption from the South Dakota State University (SDSU) Meal Plan program. The Meal Plan Exemption Policy covers meal plans for all students required to purchase a meal plan, typically students of freshman and sophomore standing.

Students living in the residence halls at South Dakota State University are required to participate in a University-sponsored meal plans, (see South Dakota Board of Regents policy 3:6.1a). The exception to that rule is the voluntary student living in Meadows North or South. Voluntary students (students not required to live on campus) would have a high school graduate date of 2017 or earlier.

SDSU Dining Services features a variety of choices intended to meet the dietary needs of the University's diverse student body. In certain situations, a student may need to request special meal plan accommodation or in the event SDSU Dining Services cannot meet the student's documented dietary or religious dietary observance, an exemption from the meal plan participation may be requested.

Please note that a meal plan exemption will only be granted when the Dining Services program cannot meet the nutritional needs of a student.

Students requesting a meal plan exemption must provide supporting documentation as set forth below. It is the responsibility of the student to obtain any and all required approvals or necessary documentation. In order for the request to be considered all required documentation must be submitted by the deadline. Incomplete requests will NOT be considered.

Meal Plan Exemption/Accommodation Process

To initiate the Meal Plan Exemption/Accommodation process, a student should submit a completed Meal Plan Exemption/Accommodation Request Form to the Department of Housing & Residential Life by the deadline along with the appropriate accompanying materials for requested category (finance, medical, or religious) along with the necessary documentation to support the request.
2. Meal Plan Exemption/Accommodation FAQ

Please review the following FAQ before submitting a request:

Q: I moved off campus, do I still need a meal plan?

A: A meal plan exemption is not required – please review your housing application through your MyState portal. Here you can choose to have a commuter plan (just flex dollars) if you would like to eat on campus, or choose to not have a meal plan at all.

Q: The MyState Portal has closed the options for changing meal plans, can I submit a meal plan exemption to change my meal plan?

A: No, a meal plan exemption cannot be submitted. Students are given 30 – 45 days before the semester starts and approximately two weeks after the semester starts to change their meal plan.

Q: I am withdrawing, changing schools, or not returning for the spring semester, what do I do about my meal plan?

A: A meal plan exemption is not required – Funds remaining from the fall semester on the student's who do not enroll for spring semester will NOT be refunded.

Q: I have a dietary condition and want to request a reduced or waived meal plan. How do I do this?

A: Submit the meal plan exemption/accommodation form. You must submit documentation demonstrating the medical necessity for a waiver. This documentation must be provided by a doctor's office, allergy clinic, or registered dietitian.

Q: My religious beliefs prevent me from finding options to eat with my current meal plan. Do I need to file a request?

A: Yes, a meal plan exemption/accommodation **IS** required. A written statement detailing dietary restriction associated with your sincerely held religious beliefs and a phone number from a religious leader are requested.
