### **I. Parties**

The parties to this agreement are South Dakota State University (SDSU), Brookings SD and Alexandria Technical and Community College (ATCC), Alexandria MN.

### **II. Purpose**

The purpose of this agreement is to:

- A. have a signed articulation agreement that addresses the varying needs of students and complementary nature of the institutions' programs;
- B. provide increased educational opportunities for students from South Dakota and the region;
- C. extend and clarify educational opportunities for students; and
- D. provide ATCC students who have completed the A.A.S. degree in Mechanical Drafting, Design & Engineering Technology an opportunity to earn a Bachelor of Science degree with a major in Operations Management.

### **III. Academic Program**

Graduation Requirements for the BS in Operations Management at SDSU

Operations Management requirements:	56
General Education (SGR) credits:	30
Block Transfer credits from ATCC Mechatronics:	34
<b>Total Credits Required:</b>	<b>120</b>

- A. Upon successful completion of the major requirements specified in III.B. below, SDSU will accept **34** technical course credits from the A.A.S. degree in Mechatronics for students majoring in Operations Management. Students must successfully complete the A.A.S. degree in Mechatronics from ATCC before transferring to SDSU for the block transfer course credits to be accepted. *General Education coursework is in addition to the 34 technical course credits.* Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.

- B. Requirements to be completed at SDSU to earn a Bachelor of Science degree with a major in Operations Management are outlined below.

Major requirements: 25 credits

1. GE 425, Occupational Safety & Health (3 credits)
