- Common Course
- Unique Course

2. Provide the complete description as it appears in the system database including pre-requisites and co-requisites.

Prefix & No.	Course Title	Credits
FIN 417	International Finance	3
FIN 517	International Finance	3

Course Description
International Finance explores the principles of financial management from an international perspective. Background material on foreign exchange markets and risk is provided, and the theory of foreign exchange markets is discussed. Emphasis is placed on corporate finance for international firms. Both direct and indirect investment as well as financing decisions for multinational corporations are covered.
