Additional requirements:

- a. Students transferring from NSU must have a cumulative GPA of "C" (2.0 on a 4.0 scale). Any course taken at NSU with a grade below a "C" must be retaken at SDSU if required for the SDSU engineering programs.

IV. Obligations

Both parties agree to confer with each other on a regular basis regarding changes in curricula involved in this agreement. Additionally:

- A. NSU will develop advising sheets and related materials delineating educational pathways for students to complete one of the designated SDSU engineering degrees;
- B. NSU will provide advising to students pursuing one of the designated SDSU engineering degrees while enrolled as NSU students;
- C. NSU will market these educational pathways in cooperation with SDSU; all marketing materials need to be approved by both NSU and SDSU;
- D. SDSU will support the development of EM 214 Statics, EM 215 Dynamics, and EM 321 Materials for online delivery and teach those courses annually with EM 214 and EM 215 ready for initial online offerings in fall 2020
- E. NSU will help support a student-mentorship program (e.g., student instructors) to facilitate select coursework mastery.

V. Modifications

This agreement may be modified from time to time by the South Dakota Board of Regents. Modifications may not diminish the entitlements enjoyed by students who have already attended classes delivered under the terms of earlier versions of the agreement, except in rare instances in which retroactive implementation of modifications may be required to comply with accreditation standards or to conform to professional licensure requirements.

VI. Effective Date of Agreement

This agreement will go into effect at the start of the Fall 2020 semester term at NSU and SDSU.
