		Electives Courses may be selected from pharmacy (PHA) and related disciplines (e.g. BIOS, BIOL, CHEM, ABS, STAT prefixes)	9			Electives Courses may be selected from pharmacy (PHA) and related disciplines (e.g. BIOS, BIOL, CHEM, ABS, STAT prefixes)	9
Total number of hours required for degree			90	Total number of hours required for degree			60-90

7. Explanation of the Change:

The proposed change adds a 60 credit plan option for students with a relevant master’s degree. Students will be required to take a seminar course, a grant proposal course, and dissertation credits. The coursework requirements will vary based on review of courses taken during the student’s master’s degree curriculum. The addition of the 60 credit plan will allow students to complete their PhD more efficiently.
