Comments/Notes

Students from all academic majors can pursue graduation with Fishback Honors College distinction. View the [Honors program requirements](#).

A grade of “C” or above is required in all courses in the major.

As part of the College of Arts, Humanities and Social Sciences, students in this program must complete/earn:

- a minimum of 33 upper division credits (300-400 level courses)
- a capstone course in the major
- a designated diversity, equity, and inclusion course – AHSS 111 (or AIS 211 for teaching specialization students only)
- a minor, second major, or teaching specialization
- Natural Sciences Coursework: 10+ credits in any two lab sciences; must include two prefixes.

Testing into a higher-level language course may reduce time to graduation. To begin coursework above the 101 level, take the free modern language placement test at <https://www.sdstate.edu/modern-languages-global-studies/mfl-placement-information> Students with any modern language experience are strongly encouraged to complete the placement test.
