Students from all academic majors can pursue graduation with Fishback Honors College distinction. View the [Honors program requirements](#).

Academic Requirements

Satisfactory academic progress is defined as:

- A final grade of at least “C” in each course in the program curriculum and an overall GPA of at least 2.60 on a 4.00 scale.
- If a student obtains an unsatisfactory final grade (D or F) in any class in the program curriculum and repeats it, the grade in which repeated class must be at least a “B”. Any general education course in the respiratory care curriculum may be repeated more than once, but the final grade must be at least a “B”.
- RESP prefix courses may be repeated only once to remove any unsatisfactory grade.

Individual course syllabi give details on grade determination, content, and requirements for each course.
