- C. Upon successful completion of the requirements of the AS in Applied Health Sciences at BHSU, they will graduate with an AS in Applied Health Sciences. Provided they meet all other admissions requirements and application deadlines, students will have a guaranteed seat in the Rapid City site for the SDSU College of Nursing BSN program (this agreement will be reviewed as needed, at minimum every seven years, to ensure capacity is available). If students are accepted and transfer to the SDSU Bachelor of Science in Nursing program prior to completing the BHSU AS in Applied Health Sciences degree, SDSU will advise students to complete their BHSU AS in Applied Health Sciences requirements and apply for graduation from BHSU while completing the SDSU Bachelor of Science in Nursing program.
- D. SDSU will waive the application fee for BHSU Health Sciences students applying for admission to the BSN program.
- E. At the time of acceptance into the SDSU Bachelor of Science in Nursing program, SDSU will accept all courses from the AS in Applied Health Sciences degree as listed in this

agreement. Transferable general education coursework and other pre-nursing requirements will be accepted.

- F. Once accepted into SDSU Nursing, students will complete the requirements for the Nursing (BSN) major and any other general education or free elective requirements that remain unsatisfied.
- G. Students must meet all Board of Regents policies, as well as university graduation requirements of the institution granting the degree.

V. Obligations

Both parties agree to confer with each other on a yearly basis regarding changes in curricula involved in this articulation agreement.

VI. Modification

This agreement may be modified from time to time by the South Dakota Board of Regents.

VII. Termination

This agreement may be terminated by either party upon one year's written notice to the other. Student(s) enrolled in the program at that time shall be allowed to complete the program.

This Agreement depends upon the continued availability of appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate or grant expenditure authority or funds become unavailable by operation of law or federal funds reductions, this Agreement will be terminated by either party. Termination for any of these reasons is not a default by either party nor does it give rise to a claim against either party.

This agreement will be reviewed at minimum every seven years from the effective date per South Dakota Board of Regents policy 2:27. This agreement may be reviewed as needed at the prompting of either party.

VIII. Effective Date of Agreement:

This agreement will take full effect upon approval from all parties and the South Dakota Board of Regents. This agreement applies to students who graduated from BHSU after fall 2014 or later with an AS in Applied Health Sciences degree, provided the student meets all other program requirements.
