1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.

1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.

The Professional Program in Veterinary Medicine has an existing professional development course series. In the first two years of the program, a professional development course is required in 3 of the 4 semesters. The addition of VET 672 Professional Development IV will complete the series by continuing into the year 2 spring semester. A credit from VET 621 Professional Development II will be used to create this course. The redistribution of credits will allow for better organization of the course series material and longitudinal development of knowledge and skills.
