ACADEMIC AFFAIRS FORMS

Authority to Offer an Existing Course

SDSU

Institution

College of Arts, Humanities and Social Sciences / Ness
School of Management and Economics

Division/Department

Dennis D. Hedge

Institutional Approval Signature

4/28/2023

Date

- 1. Is this a request to offer an existing common course or an existing unique course (approval will change course status from unique to common)?**

Common Course ☒

Unique Course ☐

- 2. Provide the complete description as it appears in the system database including pre-requisites and co-requisites.**

Prefix & No.	Course Title	Credits
BADM 459	Analytics	3

Course Description

This course covers essential decision models and strategic metrics that form the cornerstone of analytics with a primary focus on business applications. The course emphasizes case studies and hands-on learning so students can immediately apply the tools and techniques in their organizations. A variety of relevant topics are discussed, such as sizing, forecasting, budget allocation, profit maximization, and communicating to senior executives through data-driven presentations.

Pre-requisites or Co-requisites

Prefix & No.	Course Title	Pre-req	Co-req
BADM 220	Business Statistics	Yes	No
OR MATH/STAT 281*	Introduction to Statistics	Yes	No

*** A revised course request to add this as an allowed prerequisite is being submitted along with this request to offer the course.**

- 3. Universities currently offering this course, or any equated courses:**

☒ BHSU ☐ DSU ☒ NSU ☐ SDSMT ☐ SDSU ☐ USD

- 4. Does Offering the Course Create FTE Implications? No**

- 5. Does Offering the Course Create Schedule Management Implications? No**

Explain: The school will offer this course alternately with other upper division accounting courses.

Subject: RE: permission to offer common course

Cynthia and Sara,
SDSU is also requesting permission to offer BADM 459 Analytics, a common course currently offered by BHSU and NSU. It will also be offered as an elective class for our Accounting minor students. As you may be aware, SDSU business students take STAT 281 Introduction to Statistics instead of BADM 220 Business Statistics. As such, we are also requesting a course modification for BADM 459 to allow either BADM 220 or STAT/MATH 281 as the prerequisite for the course. There is precedent for this pre-requisite choice in BADM 321 Business Statistics II and other common business courses.

Please let us know of your permission or if you have any concerns.

Thank you again,
Nicole
