Subject: Authority to Offer Request - ENGL 145

Rebecca,

Our faculty that teach remedial reading have been discussing the need for an additional college reading course for students that need support in this area. We were thinking about a new course, but I noticed that DSU already offers ENGL 145 Reading Strategies. The course description matches what our faculty are looking for in an additional reading course.

SDSU requests authority to offer this course. We would offer it under the READ prefix, and we are not proposing any changes to the course. The authority to offer form is attached.

Would you and your faculty review this request and let me know if you support our proposal to offer this course?

Thanks and let me know if you have any questions.
Teresa
