As part of the Music major, students in this program must:

- demonstrate piano proficiency. Students complete four semesters of class piano or take a proficiency exam within the first year of course work. Piano proficiency must be completed by their junior year in order to proceed to upper-level applied lessons.
- earn a “C” or better in each major course (MUS, MUEN, MUAP)

As part of the College of Arts, Humanities and Social Sciences, students in this program must complete/earn:

- a minimum of 33 upper division credits (300-400 level courses)
- a capstone course in the major
- a minor, second major, or teaching specialization
- 6+ credits of Modern Foreign Language coursework, including completion of the 202-Level

Testing into a higher-level language course may reduce time to graduation. To begin coursework above the 101 level, take the free modern language placement test at <https://www.sdstate.edu/school-american-and-global-studies/language-placement-information> Students with any modern language experience are strongly encouraged to complete the placement test
