8. Explanation of the Change:

Removed a specific course selection from SGR #1 to allow students more flexibility in meeting their System General Education requirements. PSYC 101 General Psychology applies to both major requirements and SGR #3.

Removed PSYC 492 Topics (Organizational Development) from the list of Domain III Elective options. The Psychology program's topics courses (PSYC 492) are on a rotation, no specific topics courses should be listed.
