State University**
Department of Allied & Population Health

Stigma, Treatment,
Avoidance and
Recovery in Time

Treatment is available and effective in Codington County.

Contact us at www.HelpLineCenter.org or dial **2-1-1** and we can answer questions, suggest a treatment facility and help make appointments or organize transportation.

Before you call, gather the information the facility will need such as your address, phone number, type of insurance, your schedule, etc.

Call the facility and make an appointment for substance abuse treatment that works for you. Record the appointment date and time and, if you need to, remember to call the facility to reschedule.

If you need help with transportation, please ask about options during this phone call.
