Section 1. Course Title and Description

Prefix & No.	Course Title	Credits
NURS 783	Healthcare System Management and Evaluation	3

Course Description

This course will provide an analysis of the effects of healthcare delivery and policy on healthcare systems. The course analyzes regulatory, technological, policy, and social influences that impact healthcare organizations, providers, populations, and patients. The development and implementation of initiatives to meet the quadruple aim will be integrated.

Pre-requisites or Co-requisites

Prefix & No.	Course Title	Pre-Req/Co-Req?
None		

Registration Restrictions

None

Section 2. Review of Course

2.1. Will this be a unique or common course?

Unique Course

Prefix & No.	Course Title	Credits
PHTH 738	Health Care Management & Systems - PT	4
PHA 724	US Healthcare Systems	2

Provide explanation of differences between proposed course and existing system catalog courses below:

PHTH 738 introduces leadership and business management principles from the Physical Therapist perspective. PHA 724 provides an overview of the health care system in the United States and its impact on pharmacy practice. NURS 783 looks more broadly at the healthcare system and the various influences that impact stakeholders.

Section 3. Other Course Information

3.1. Are there instructional staffing impacts?

No. Schedule Management, explain below: This course will be offered once per year.

3.2. Existing program(s) in which course will be offered: Nursing (DNP) – Clinical Nurse Leader Specialization and Family Nurse Practitioner Specialization

3.3. Proposed instructional method by university (as defined by AAC Guideline 5.4): D - Discussion

3.4. Proposed delivery method by university (as defined by AAC Guideline 5.5): S15 - Online Asynchronous

3.5. Term change will be effective: fall 2024

3.6. Can students repeat the course for additional credit? Yes, total credit limit: No

3.7. Will grade for this course be limited to S/U (pass/fail)? Yes No

3.8. Will section enrollment be capped? Yes, max per section: 35 No

3.9. Will this course equate (i.e., be considered the same course for degree completion) with any

other unique or common courses in the common course system database in Colleague and the Course Inventory Report? Yes No

3.10. Is this prefix approved for your university? Yes No

Section 4. Department and Course Codes (Completed by University Academic Affairs)

4.1. University Department: Nursing

4.2. Banner Department Code: SNUR

4.3. Proposed CIP Code: 51.3808

Is this a new CIP code for the university? Yes No

1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.

This course will provide an analysis of the effects of healthcare delivery and policy on healthcare systems. The course will analyze regulatory, technological, policy, and social influences that impact healthcare organizations, providers, populations, and patients. NURS 783 will be required in the Nursing (DNP) - Clinical Nurse Leader Specialization and Family Nurse Practitioner Specialization. This course is necessary to meet the DNP requirements.

2. Note whether this course is: Required Elective

3. In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?

None

4. If this will be a dual listed course, indicate how the distinction between the two levels will be made.

N/A

5. Desired section size 35

6. Provide qualifications of faculty who will teach this course. List name(s), rank(s), and degree(s).

Lori Hendrickx, Professor, EdD, RN, CNL, CCRN; Theresa Garren-Grubbs, Clinical Assistant Professor, DNP, RN, CMSRN, CNL; Robin Arends, Clinical Associate Professor, DNP, CNP, FNP-BC, PMHNP-BC, CNE, FAAN, FAANP; Brandi Pravecek, Clinical Assistant Professor, DNP, RN, CNP, FNP-BC

7. Note whether adequate facilities are available and list any special equipment needed for the course.

Courses will be delivered online, therefore, requiring no additional facilities. No special equipment is needed.

8. Note whether adequate library and media support are available for the course.

Library and media support are available on campus or via distance, therefore, sufficient for this course.

9. Will the new course duplicate courses currently being offered on this campus? Yes No

10. If this course may be offered for variable credit, explain how the amount of credit at each offering is to be determined.

N/A
