As part of the College of Arts, Humanities and Social Sciences, students in this program must complete/earn:

- a minimum of 33 upper division credits (300-400 level courses)
• a capstone course in the major
• a minor, second major, or teaching specialization
• Natural Sciences Coursework: 10+ credits in any two lab sciences; must include two prefixes.

Testing into a higher-level language course may reduce time to graduation. To begin coursework above the 101 level, take the free modern language placement test at https://www.sdstate.edu/modern-languages-global-studies/mfl-placement-information. Students with any modern language experience are strongly encouraged to complete the placement test.
