COMMENTS/NOTES

The program is completed in 12 months and begins once a year (August) in Sioux Falls and once a year (January) in Aberdeen and Rapid City.

To be considered for admissions, students must have a cumulative GPA of 2.700 or higher. The College of Nursing also requires a grade of “C” or higher in all coursework applied toward graduation. Completion of all prerequisite coursework, SGRs, and elective courses, as needed, to equal 120 credits upon completion of the program. Students may apply while prerequisite coursework is in progress as long as courses are completed before starting Semester 1 of the nursing program if selected for admission. Meeting minimum qualifications does not guarantee acceptance into the Nursing major. Students are selected competitively based on experiences, attributes, and metrics. Admission criteria may include academic score, personal statements, personal references, and other criteria as required by the Admission, Progression and Graduation Sub-committee.
