This is not an official Federal test form. Use Laboratory VS Forms for Brucella and EIA testing. The ADRDL is an accredited AAVLD laboratory and a member of the USDA National Animal Health Laboratory Network. Completing and submitting any submission form or any other means of requesting services creates a contractual agreement for services requested and the specimens submitted become the property of the ADRDL. At no expense to our clients, specimens submitted to the ADRDL may be subjected to additional testing upon the order of state or federal animal health officials, or when a Foreign Animal Disease is suspected, or in support of surveillance for other animal diseases.
