**Section 2. Review of Course**

**2.1. Will this be a unique or common course?**

**Unique Course**

Prefix & No.	Course Title	Credits
AS 119	Opportunities in Animal and Veterinary Science	1
AS 120	Survey of Animal Science	1
DS 119	First Year Experience in Dairy and Food Science	2

Provide explanation of differences between proposed course and existing system catalog courses below:

AS 120 Survey of Animal Science is a first-year course designed to assist students in developing a plan of study, activities and work experiences to best prepare them for future careers in animal science. DS 119 Opportunities in Dairy and Food Science currently serves as a first-year experience course for the Department of Dairy and Food Science. The Department of Dairy and Food Science has requested to split the first-year experience course into two one-credit courses (DS 119 + DS 120). The proposed course, DS 120, is designed to introduce students to developing a plan of study, activities and work experiences to best prepare them for future careers in dairy and food science. DS120 would also introduce contemporary issues in dairy and food science.
