Undergraduate Graduation Rates Compared to Undergraduate Headcount

Source: IPEDS Data Center (http://nces.ed.gov/ipeds/datacenter/default.aspx); IPEDS Fall Enrollments 2011-12 Survey; IPEDS Graduation Rate 2011-12 Survey

Notes: Graduate Rates are established using the Federal IPEDS cohorts of first-time, full-time freshmen beginning in a specific fall term and following that group to graduation over a period of 6 years. The graduation rate is the percent of bachelor degree students that graduate within the 6 year period or 150% of the typical time of 4 years. By IPEDS definition, no transfer students are included in the original cohort nor are they allowed into the cohort once established.
