Course Audit Policy

If a student either signs up for a course as an audit or changes their registration for a course from graded to audit the following rules apply:

a. A copy of the course audit form must be filed with the departmental office. The formed must be signed by both the instructor and the student. Copies of the form may be obtained in the Physics Department office.

b. If the course is a laboratory course, the student will not be allowed to continue in the laboratory portion of the course.
