Dear colleagues-

Please consider submitting your manuscripts to the Great Plains Sociologist (GPS), a generalist sociology journal of the Great Plains Sociological Association. The Great Plains Sociological Association comprises primarily of sociologist from North and South Dakota, including memberships from Minnesota, Iowa and Nebraska. The journal is fully refereed and published annually. The journal publishes high quality manuscripts in all areas of sociology under the guidance of the journal editor and editorial team who provide excellent suggestions and guide for manuscript improvement. Also, our review team is fast and provides feedback to authors within a short time period. The journal is indexed and can be accessed in ProQuest. Please submit your finished manuscript for the next volume of the GPS to the journal editor, Dr. Gary Goreham at Gary.Goreham@ndsu.edu.
